

Dear Saratoga community member:

Envision your name on the Pathway to Innovation, displaying your commitment to innovative learning. Sponsored by the Saratoga Foundation for Innovative Learning, this non-profit organization is committed to raising funds expressly for the Saratoga Springs City School District. With your financial assistance, we grant funds to teachers and students in pursuit of new and innovative learning initiatives.

Commemorative bricks purchased by students, families, alumni and community members, now line the pathway leading to the high school. Ensure your own place in history by personalizing your brick or honor someone special with your gift. You have the opportunity to create a timeless and highly visible reminder of your commitment to an innovative learning environment for the Saratoga Springs City School District.

100% of the funds raised go directly to supporting innovative programming opportunities in the Saratoga Springs School District. Since 2013, we have funded grants in all grade levels and subject areas including math, science, technology, languages and the arts. For more specific information please visit our website at Saratogalearning.org.

To participate, please complete and return the bottom portion of this letter along with your check made payable to Saratoga Foundation for Innovative Learning, so that you may leave a lasting impression. The form and payment can be mailed to: Saratoga Foundation for Innovative Learning at P.O. Box 258, Saratoga Springs, NY 12866. Questions can be directed to Maura Manny at info@saratogalearning.org.
